Lynell suggested her for consideration for a leg. position. He had an initial meeting with her- was considering her for an internship and then realized she was more qualified for an actual position.

Mr. Washington,

Thank you for taking the time to meet with me today. I appreciated you sharing about your experience as a planner and how you ended up back here to serve the South LA community. I'm glad that we both share the same passion in making Los Angeles a better place and space through civic engagement, coalition building, and policy-making.

I am humbled by your vote of confidence. Per your request, I am sending you a cover letter and resume.

I look forward to hearing from you soon. Please stay in touch.

Best,
Leslie Shim

Nice to meet you last Thursday at the USC Price Networking Night! I know we only briefly talked about you coming from Chicago and my field deputy experience with Council District 4, but I wanted the chance to talk a little further about your planning experience and the work that you are doing for the 8th.

I was pleasantly surprised when you told me that I should go into legislative work, not field. I appreciate your vote of confidence and insight into my potential. Per your advice that night, should I email Ms. Rachel Brashier?

If you have a few minutes for a coffee or tea, please let me know. I would love the opportunity to continue our conversation and learn more about your career path back to Los Angeles.

Thank you!
